The Daily Press.

HONGKONG, September 15th, 1899.

Direct cable communication with Amoy is  
restored.

Commander St. John, formerly of H.M.S. *Peacock*, has denied that he ever said that General Ullis was an old woman, as reported in an alleged interview published in an American paper.

The Shaukiwan Road was breached by a flood on Wednesday night at the Hongkong side of the *Metropolis* Hotel. A temporary bamboo bridge is to be put up as soon as practicable to pass light traffic, pending the restoration of the roadway.

At the Magistracy yesterday Chia Fuk Hing, of 500 Queen's Road Central, was charged with forging labels on condensed milk tins. Mr. Judge appeared for the prosecution and Mr. Hastings for the defense. The further hearing was adjourned until Tuesday next.

In our report of the robbery from Mr. King, on 20th Queen's Road Central, it was stated that the thief was a laundryman employed by the Hongkong Hotel Co. This was inaccurate, as the thief, we now learn, was an outside workman employed by Mr. Kingham's private bay.

The Parsees or Zoroastrians will celebrate their New Year today. This is the 129th year of the era of Vendidad. A religious service will be held at their Club-house in Shelley Street at 8 o'clock this morning.

We tender our congratulations to all our Parsee friends throughout the Far East and wish them a happy and prosperous New Year.

On the new reclassification, about 50 yards from Wei Shui Street, a quantity of wood is scattered, and about eleven o'clock yesterday morning among this wood the dead body of a Chinaman was found seated on a stone with his throat cut from ear to ear. There was a razor by his side and there is no doubt the man committed suicide. The police were informed and the body removed to the mortuary.

We learn from one of our venerable correspondents that the Japanese Department of Communications has had the Pacific cable project under consideration, and has resolved to ask in the coming session of the Diet for a subsidy in aid of the scheme. What the Japanese Government is supporting is, we understand, the American scheme for the establishment of cable communication between the United States and the Philippines, *via* Hawaii and Japan. —*Hiroko News.*

A private telegram from Peking received at Shanghai on the 9th September states that Emperor had managed to write a letter to the Emperor of Japan which a confidential source succeeded in taking to the Japanese Legation for transmission to Tokio. The letter contained an appeal to the Emperor to release the writer from his imminent danger of deposition and death at the hands of assassins. —*N. C. Daily News.*

It is stated in reliable quarters at Peking that the fact that several powerful Viceroys, Governors, and Ministers of the Court have presented secret memorials to the Empress Dowager strongly deprecating any steps leading to the deposition of the Emperor have made her hesitate in placing a new occupant upon the throne. It is significant also that the memorials not a single one was of Manchu descent. —*N. C. Daily News.*

The Hongkong Branch of the China Association in its recently issued report dated 11th May, 1899, refers as follows to the New Territory: —The long-sought-for extension of the colony of Hongkong has been also obtained, but under circumstances that render it very doubtful whether the acquisition will be of great or immediate benefit to the colony. The Convention was signed on the 6th June, 1898, and is to take effect on the 1st July following. Postage was to be taken until the 1st April last, and was accompanied and followed by a series of incidents which reflected very great credit on our methods of government, and which are not at an end. The boundaries of our new territories are still unsettled and the arrangements for its utilization and improvement are still in embryo.

There was a case of plague yesterday and 4 deaths.

The *Universal Gazette* is authority for the statement that Germany has demanded from China a recognition that "the whole region south of the Yangtze River, from the Kiangsu, Shantung, and Kansu Provinces, be considered as lying within the limits of Germany's sphere of influence," and that no reply has, as yet, been given to this demand. —*N. C. Daily News.*
